

**Provisional result for the financial year 2005**  
**View on the current financial year 2006**

Düsseldorf, May 23, 2006

bet-at-home.com AG in Düsseldorf (Germany) earned an unaudited EBT (Earnings Before Tax) of – 218,79 thousand euro.  
No transactions were effected.

The 100% daughter company bet-at-home.com Entertainment AG in Linz (Austria) reached a provisional turnover of 68,959 million euro in the financial year 2005. The EBT were + 899 thousand euro.

The pro forma consolidation including bet-at-home.com AG Düsseldorf as per 1 January 2005 results in the following operating figures for the group:

Turnover:	68,959 Mio Euro
EBT:	+454 TEUR
EBITDA:	+596 TEUR

The provisional proceeds of the group in the first quarter of 2006 amount to around 74 million euro, with a positive result.

For the current financial year, bet-at-home.com AG expects proceeds for the group to reach at least 280 million euro, and a growing positive result.

The increasing grow in the financial year 2006 is due to the entry into new target markets, together with an expanding range of products within the group of companies.

The audited accounts of bet-at-home.com AG as well as the audited accounts of bet-at-home.com Entertainment AG will shortly be made public.

At the moment the company does not foresee any changes in the above mentioned numbers.
