

## **bet-at-home.com AG on expansion course**

- Raise in turnover expectancy for 2006;
- New markets targeted in East Europe;
- Mobile betting and implementation of online poker in the 4th quarter of 2006;
- Application for listing on the Vienna Stock Exchange.

It is anticipated that bet-at-home.com AG shall clearly surpass the turnover expectancy of 280 million euros for the financial year 2006. The turnover expectancy shall be raised to 320 million euros.

At the moment, the current financial year shows corporate proceeds of over 210 million euros.

In August, the Bulgarian and Hungarian markets were entered into. Meanwhile, the betting platform **www.bet-at-home.com** is available in 12 languages and, at this moment, has more than 560,000 registered customers.

*"A poker network and mobile betting will be launched in the 4th quarter of this year, from which we are expecting further growth within our daughter companies."* states bet-at-home.com director Schmitt.

The application for listing of bet-at-home.com Entertainment AG on the Vienna Stock Exchange has already been filed. We are expecting that the share bet-at-home.com Entertainment AG shall shortly be listed on the Vienna Stock Exchange.
