

bet-at-home.com AG: bet-at-home.com AG to be included in SDAX index of Deutsche Börse

Deutsche Börse has decided to include the shares of bet-at-home.com AG (ISIN: DE000A0DNAY5) in the SDAX stock market index with effect from 3 February 2017. bet-at-home.com qualified for inclusion in the SDAX under the so-called fast-entry rule. Besides the high transparency requirements of the Prime Standard, the bet-at-home.com share fulfils all relevant criteria regarding free float, market capitalisation and trading volume for the admission to the renowned small cap index. The Deutsche Börse selection indices, namely the DAX, MDAX, SDAX and TecDAX, comprise 160 stocks in total, of which 50 in the SDAX.

“We are extremely pleased that the SDAX inclusion has now become reality just a half year after receiving admission to the Regulated Market of the Frankfurt Stock Exchange. The increased awareness resulting from listing within an index is expected to increase liquidity for shareholders”, comments Michael Quatember, CEO of bet-at-home.com AG.

Franz Ömer, CEO of bet-at-home.com AG, sees the inclusion in the SDAX as yet another milestone in the company’s development and as the validation of the capital markets strategy: “The bet-at-home.com AG can look back on a successful as well as eventful year 2016. The fact that our share reached several all-time highs within the past few weeks and days, underlines our long-term potential”.
