

bet-at-home: Successful outsourcing of the offering

Düsseldorf, 01 February 2023. After several months of preparation, the Malta-licensed offering of bet-at-home.com Internet Ltd. has been successfully launched today on the outsourced platform iGaming of the software provider EveryMatrix.

"Through a close cooperation with our partner, we have succeeded in enhancing our platform www.bet-at-home.com to the most advanced technological level. Our customers benefit from a much broader betting offering, numerous new functionalities and attractive promotions. The first hours after the relaunch have shown that the new platform is very well accepted by customers", comments CEO Marco Falchetto.

The outsourcing of the German-licensed offering to www.bet-at-home.de is currently being finalized and is expected to be completed in the nearest future.
